A NOTE OF GRATITUDE

Thank you for exploring the wines of Saison Cellar & Wine Bar. We are proud to present a carefully curated collection that reflects our passion for quality and variety, with an emphasis on producers that inspire Mark Bright's own winemaking journey.

You will notice our list leans deeply into France while highlighting extraordinary global producers and our neighbors in Northern California, with benchmark as well as niche labels, and deep verticals.

We hope you enjoy your journey through our list and find the perfect bottle to complement your experience today. And remember, you're here to sit back and relax, so come to us with questions. It's why we do what we do!

Cheers and revelry,

PAUL CARAYAS

SAISON WINERY

Inspired by cycles of seasonal-transformation, Saison Winery strives to carefully cultivate, harvest, craft, and age our wines to reflect the terroir in which they are grown. Saison wines are hand-crafted by Saison Hospitality co-founder and wine director Mark Bright, who is a passionate advocate of winemaking and vineyards in the Santa Cruz Mountains through the lens of his love for the wines of Burgundy. With a focus on small lot production and single vineyard expression, we source our fruit from some of the finest vineyard sites in the Santa Cruz Mountains, working with them through the entire process, from the growing season to harvest and finally the cellar, where our wines are exactly matured.
